OBJECTIVES

To pursue a job opportunity in a competitive environment that will challenge me to push my boundaries and expand my knowledge in the field of computer science while allowing me to add value to the dynamics of the company.

WORK EXPERIENCE

Core Java and SQL Intern | TCR INNOVATION

January 2022 - March 2022

- During the internship I did a Major project and were given some assignments to train our skills on given domain. I was introduced to some new technologies, languages, and frameworks.

Web Development Intern | LetsGrowMore Virtual Internship Program

September 2021 - October 2021

- Learn Soft Skills and Developed different Projects on Web Development. I was introduced to some new technologies, languages, and frameworks.

Internship in Core Java | Soham Computer Institute

May 2019 - June 2019

- Soham Computer Institute in Dhankawadi, Pune has been offering professional training to students. While I was in the final year of my diploma, I did a 1 month internship at Soham Computer Institute in which they taught me some concepts of Core Java.

EDUCATION

Course	Institute	Period	Marks
BE Computer Engineering	AISSMS COE, Pune	July 2020 - July 2023	9.14
Diploma (Computer Technology)	Bharati Vidyapeeth Jawaharlal Nehru Institute of Technology (Polytechnic) Pune	July 2017 - April 2020	90.63%
SSC	Priyadarshini Madhyamik Vidhya Mandir, Pune	June 2014 - April 2017	74.00%

TECHNICAL SKILLS

✓ Java ✓ Html ✓ CSS ✓ MYSQL

PROJECTS

IOT BASED BIOMETRIC AND RFID ATTENDANCE SYSTEM (FINAL YEAR DIPLOMA PROJECT)

- In our project, we proposed a portable system which maintains the attendance record of students automatically. This system uses a biometric and RFID concept to facilitate the attendance system in educational institutes.

LIBRARY MANAGEMENT SYSTEM

- The Project is based on the web development Created different static and dynamic frontend designs using HTML5, PHP, CSS. Connected database using PhpMyAdmin, and Xamp and perform SQL queries on same.

ACHIEVEMENTS

GOOGLE CLOUD-READY

- Received GOOGLE CLOUD-READY badge by Google during 30 days Google Cloud Program.

LETTER OF RECOMMENDATION

- Achieved Letter of Recommendation at TCR Innovation during Core Java and SQL Internship.

PARTICIPATION IN QWIKLABS LEARN AND EARN CLOUD CHALLENGE.

- Received goodies for completion of the Qwiklabs learn to earn challenge.
